

**Huron Valley Numismatic Society
September 8, 2010**

The meeting was called to order at 7:10 PM. There were 18 members present.

We were informed of the coins robberies happening lately. Jim Motley suggested that members ordering coins or coin related material have them sent to them in care of our PO Box to eliminate the chance of thievery from mail boxes. Just let Jim Motley, Chuck or Darlene Sharpe and they will be looking for the order. Les Rosik has a list of stolen coins and will be giving us a list so that we can be aware of these coins in case we do see them.

Les Rosik from the Polish American Coin Club spoke to us about Polish Coins. He passed several around for us to peruse. We gave him with a gift basket for his informational presentation.

If any members would like a 1835 large cent to be elongated, contact Mike Howard.

Our auction brought in \$21.15 for the club. Commission on coins sold at auction is 10% up to \$20 with a cap of \$1.00 per lot. Commissions for the club on coins sold on the website to date is \$4.95. Our bank balance as of the August 31, 2010 statement is \$887. This does not include our \$25 petty cash or auction or commission money for September. The additional funds will show on the end of September statement since they will have been deposited during the month.

Mike Bovio has most of the tables sold for our November 20, 2010 show. We have also confirmed April 2, 2011 and November 19, 2011 for shows since the director for the Highland Community Center has moved on and we wanted to be sure shows were on the agenda for the new director to see.
