

Huron Valley Numismatic Society
November 20, 2010

The meeting was called to order at 7:00 PM by Chairman, Jim Motley. Twenty-one members were present, including Mark Johnson, who became a member that night.

Our bank balance as of November 1st was \$870.80. Our auction was held and \$38.55 was taken in by the club. You may pay your 2011 dues of \$15 per member, \$25 per family to the treasurer. We have 13 paid members as of November 10, 2011.

Morgan Dollars were discussed; some graded ones were passed around to members. Chuck Sharpe presented information regarding scarcity and rarity of various dates. A Morgan Dollar quiz was taken by the club members and Dave Engel turned out to be the most informed member about Morgan Dollar trivia.

The upcoming show was discussed. We will be setting up Friday, November 19th around 5:00 PM at the Activity Center. Mike Bovio, bourse chairman, got volunteers to set up, tear down, feeders (donuts and lunch), greeters, etc. . Volunteers were given flyers to distribute to their designated spots. We should be all set. Guenter and Chuck met with Milford Times reporter and there should be a nice article about us and our 175th Highland anniversary elongated coin which shows Highland Station.

Two of the 175th Highland anniversary elongated coins were given to each club member. They will be sold at our show in November. Bulk sales will take place after the show.

A field trip to Central States Show was discussed. Vince can get a larger passenger van and is willing to drive to Illinois. We need a volunteer to head up this activity. Please contact Jim Motley if you are interested.

Members receiving coins/coin related material may use PO Box 1174, Highland, MI 48357 in order to protect their identity/address from thieves.

A Boy Scout night is being headed up by Guenter. He will have more definite information in December.

National Coin Week, April 17th through 23rd will have a coin display at the Highland Library. We will have the two large display areas at the bottom of the stairs.

A business card design was done by Ken Glover's wife (thank you Mrs. Glover). We voted on the one we liked best and will proceed to have some printed as hand-outs which we will be able to carry around easily.

The book, The Official Red Book of the United States Coins, was donated to our club by Jim Motley. Remember, if you would like any of the club's books, Dave Engel will have them at every meeting – just ask him.

We hope to see all of you November 21st at the HVNS Coin Show, Highland Community Center.

Darlene Sharpe, Secretary/Treasurer
