

Huron Valley Numismatic Society
September 14, 2011

The September 14, 2011 meeting of Huron Valley Numismatic Society was called to order at 7:00 PM at the Highland Activity Center with 19 present, including Ricky Scott who has visited us previously and our new member, Ernie Nagy. The attendance awards were won by Darlene Sharpe and Guenter Loepertz.

Jim Motley distributed some coins purchased through television to demonstrate how badly the public is misled by TV advertising.

Kathy Freeland spoke on tokens and medals. Her presentation consisted of a video on hard times tokens, love tokens, store tokens, sales tax tokens and almost every other type of token known. She has displayed her tokens at MSNS shows and is extremely knowledgeable and thoroughly enjoys what she collects.

Next month, Karl Mark Paul, a MSNS board member, will speak on obsolete currency. In November, Ed Tureck will speak on digital photography.

Our November Coin Show is progressing nicely. Chris Hickey will coordinate the luncheon with Dave Engle. Mike Bovio, bourse chairman, feels that it will be sold out soon.

Guenter Loepertz is organizing another Boy Scout event to be held February 15, 2012.

Our library contribution with the help of Central States is progressing. A list of books, descriptions and retail prices will be given to Ken Glover and Guenter Loepertz to decide what books to be given to which library. Books not on this list are also eligible to be purchased. Chuck Sharpe will coordinate the name plates on the books with our club name and web site information on each. We need to have a signed invoice by each library that they received the books.

The auction brought in \$6.40 for the club.
