Coin Club met at the Highland Adult Community Center at 7:00 PM with 22 present. The auction was held, bringing in just a little money since we could use our \$15 voucher for working the MSNS Show for auction material. \$10 was received for bourse sales.

It was proposed and seconded to add one board member for 2 years and another board member will be the past chair until the next chair replaces him/her. The new board member will be the overseer for membership, historian, education, shows. The overseer will recommend members to do these jobs. This passed unanimously.

The two attendance awards were to Ed Twarog (scale) and Mike Howard ( coin dry gel pak). Chris Hickey is giving up her attendance award job due to work travel. Heidi has agreed to carry on this job.

The election of officers for 2012 was held:

Chuck Sharpe – Chair

Al Raddi – Program

Dave Engel – Secretary-Treasurer

Directors [2yr] – Glen Ridgeway, Guenter Loepertz. Jim Motley 1 year as Past Chair.

Ken Glover (retiring officer) will be in charge of the ANA National Coin Week Program activity in the area Libraries.

The library donation books are ready to go.

We had a small Christmas party complete with a white elephant trade.

We voted to participate in the Holy Spirit Business Expo which will cost the club \$50. Mike Howard, Al Raddi, Guenter Loepertz and Ed Twarog volunteered to assist. Further discussion will take place at the January meeting.

Jim Motley informed us that our web site had 13,000 hits per month!

Our November show earned a \$400 profit. Thanks, Mike Bovio!

March 3<sup>rd</sup> at the Hartland Library will be an appraisal day for Hartland residents.

We need to set a budget up for speakers. Al Raddi suggested some of our club members speak on their collections. We need names of regional speakers.

Still need HVNS shirts – need suggestions for less expensive ones. Volunteer?

Darlene Sharpe  
Secretary/Treasurer
