CALL TO ORDER:

120th HVNS meeting was called to order by Chairman, Ernie Nagy at 7:00 PM. His numismatic term for the meeting is "Mule". A Mule is a coin, token or medal paired up with another which are not originally intended to be paired up with each other.

ATTENDEES:

21 Members and 1 guest.

SECRETARY'S REPORT

The Secretary's Report from August can be found on line.

TREASURER'S REPORT

HVNS has \$4,740.30 in the checking account. We have 23 individual and 8 family memberships.

PROGRAM:

Bill Brandimore's presentation on "Collecting Large Size Notes" was very informative. He brought his own collection and passed around many early notes .

Recognition was given by Wayne Westfield to all members who participated in the Polish Show. Wayne was then thanked for coordinating our work force for the day.

Our auction went well with Gene Liddicott buying a ton of coins!

Ernie Nagy recapped briefly the Board Meeting held August 29th. The financial deficit should be made up by additional monies expected from the Coin Show in November, our share of the Polish Show income and left over money from the shed purchase. All officers and board members will remain except for the treasurer which constitutionally cannot serve more than two years. Elections will be held in December.

Attendance awards were won by Mike Howard and Glen Ridgway.

Thanks were given to Glen Ridgway, Keith Marbutt and Chuck Sharpe for work on the shed. It has been divided with a pocket door down the middle separating the coin club area from the general center area. There will be a key lock on the pocket door to ensure safety of our belongings.

Uni Marbutt is coordinating the 10th anniversary coin. She sent around three variations of the elongated coin for members to vote on.

AROUND THE ROOM:

World Coin interests were explained by most members.

THEN.....we celebrated our 10 year anniversary by having a specially decorated cake and pop thanks to our Chairman, Ernie Nagy!

ADJOURN:

Meeting was adjourned at 8:40 PM.

Respectfully submitted,

Darlene Sharpe
