CALL TO ORDER:

The 128th General Meeting of HVNS was called to order May 8, 2019 by Al Raddi at 7:00 PM. The numismatic term of the night was "Sweating" which is a procedure in which gold or silver coins are placed in a bag and shaken vigorously to knock off small pieces of metal. These small pieces are gathered and sold, producing a profit as the coins were returned to circulation at face value. This procedure left the surfaces of the coins peppered with tiny nicks.
