MINUTES

With 22 members and one guest present, Acting Chair Al R, called the meeting to order.

Program

The Club enjoyed an ANA eLearning webinar hosted by ANA Museum curator, Doug Mudd. Doug's presentation was on the history of the Olympic Games and their numismatic connection. The first games took place in 468 BC and after a long hiatus, resumed in 1896. Today, Olympic coins are generally issued as commemoratives.

Al R. Discussed our March and April programs. Members were asked to volunteer to give talks on their "most interesting coin". Each talk should last no longer than five minutes. Sign-up sheets were circulated.

Auction

Uni M called the auction. The net amount to the Club was \$16.50.

Finance and Membership

Glen R. reported that our bank balance is \$6,071.66.

Coin Shows Update

Gary F. and Chuck S. reported. Our next coin show will take place on May14 at the Milford Senior Center.

Attendance Prize Drawing

Wayne W., Ken G. and Glen R. we're winners of the attendance prizes.

Around the Room
