A HISTORY OF THE HURON VALLEY NUMISMATIC SOCIETY (HVNS)

Founding the Club

In May of 2007, and again in May of 2008, Guenter L. and Dan C. set up a table at the Craft Fair at the Highland Adult Activities Center where they hoped to identify people who would like to form a coin collecting interest group (as well as stamp collecting, travelogue, and genealogy interest groups) at the Center. Because there wasn't much interest in a coin collecting interest group at the Center, they decided to form a coin club that would draw members from numerous communities in the Huron Valley.

With the help of coin dealers John M. (who had a local coin store and wanted to start a club focusing on numismatic education) and Chuck S., they brought about a dozen people together for an organizational meeting at the Center on October 23, 2008. In subsequent monthly meetings, with John doing the work of the Chair, Chuck doing the work of the Program Chair, Chuck's wife Darlene doing the work of the Secretary/Treasurer, and tax preparer Karla G. consulting, the group created a constitution and by-laws (using material available from the American Numismatic Society), secured a tax payer ID number, opened a bank account at Huron Valley State Bank, and rented a post office box in Highland Township. All the while, they flooded the area with flyers advertising the club

On November 9, 2009, with a membership of 22, the club elected its first officers and board members: Chair – Jim M., Program Chair – Chuck S., Secretary/Treasurer – Darlene S., and Board Members – Mike B., Dave E., Ken G., and Guenter L.
