Call to Order

Chair Al R. called the meeting to order.

Budget

Glen R. led a review of the status of our budget. Glen provided a spreadsheet indicating a current deficit of \$193. However, we anticipate additional revenue from dues collection, the August PANS and HVNS Coin Show and the October HVNS Coin Show.

We discussed how to dispose of our grading books. They will be allocated to the PANS and HVNS Coin Show raffle, HVNS auctions, and to a YN.

Programs

Gary F. discussed our programs for the remainder of the year. In June, Kathy F. will discuss Women's Suffrage from a numismatic perspective. In July, we will enjoy our annual picnic. In August, Mike S. will discuss Lincoln cents. Our October meeting will mark our 15<sup>th</sup> anniversary so, addition to the Members' Bourse, we will order a cake with our logo and display our

history binders. A small commemorative gift will also be provided to each member.

Dinners

A permit has been secured for our July picnic. We have paid \$100 to secure the site plus \$50 (refundable) as a clean-up fee. Karen N. will circulate a sign-up sheet at our June meeting.

Coin Shows

Gary F. has been moving forward with the planning for our October 28 Show which will move back to the Highland Activity Center. It is 70% subscribed. Gary also circulated a handout regarding revenue enhancement options. Of the options discussed, a raffle was the most promising, and Gary will submit a proposal for consideration at a later date.

Appraisal Nights

Chuck S. is considering the Commerce Township Library for a future Appraisal Night. He indicated that White Lake Public Library has already requested our return. A discussion ensued regarding the amount of time appraisers should spend with each attendee and how to move the appraisals along so that each attendee is served.

Future Board Meeting

Al R. will schedule our next meeting for a date in September.

Adjourn

There being no further business, Al R. adjourned the meeting.
